WHO SHOULD ATTEND?

Deb Wetherelt

Idaho SANE/SART Coordinator
Idaho State Police Meridian, Idaho, USA

Dear Esteemed Colleagues,

I am so pleased to invite you to attend the 7th **Asia-Pacific Advanced Nursing Practice, Nursing Education, and Leadership Conclave** being held **June 18-19, 2026**, in beautiful city **Singapore**.

We all understand the challenges faced in nursing arising from an aging workforce, reimbursement complexities, and changes in healthcare management, evolving technologies, and access issues. Additionally, new trends in how nursing care is provided and how medical personnel are trained and educated are impacting the landscape of nursing. Our work has never been more exciting, or more stressful!

This summit will showcase speakers from across the world addressing both research and work being done to address the challenges we face in a variety of nursing fields. You can anticipate engaging presentations and conversations regarding:

- New research in nursing practice
- Innovative strategies addressing research, nursing practice, and education of healthcare professionals
- Leadership practices being utilized to address the changing models of healthcare

This conference will provide an excellent opportunity to network with colleagues from across the world as well as the ability to share your own expertise and insights.

I hope you will consider joining us ~ plan on returning home with renewed enthusiasm for continuing the work in revitalizing how healthcare can be reimagined and provided.

Sincerely yours

Deb Wetherelt, RN, SANE-A

Dear Esteemed Colleagues and Global Nursing and Healthcare Community,

It is with great enthusiasm and a sense of honor that I invite you to participate in the **7th Asia-Pacific Advanced Nursing Practice, Nursing Education and Leadership Conclave**, to be held in **Singapore on June 18-19, 2026**.

After having the privilege of joining the 2025 edition, I can confidently say that this event is a unique platform for learning, sharing, and collaborating. It brings together professionals from across the globe who are committed to advancing nursing and improving healthcare systems through innovation, research, and leadership.

The 2026 Conclave promises to continue this legacy by offering high-level discussions, groundbreaking presentations, and invaluable networking opportunities. It is an unmissable occasion for nurse leaders, educators, researchers, and clinicians seeking to shape the future of our profession and contribute to global health equity.

I warmly encourage you to take part in this enriching experience. Let us come together once again to learn from one another, strengthen our global ties, and inspire the next steps in nursing and healthcare.

I look forward to welcoming you to Singapore in 2026.

Warm regards,

Antonio Pazin-Filho, MD, PhD

Faculty of Medicine of Ribeirão Preto, University of São Paulo Brazil

Dear Participants

Congratulations on your participation in the **7th Asia Pacific Advanced Nursing Practice, Nursing Education and Leadership Conclave** to be held in **Singapore** on **June 18-19, 2026!** First of all, I would like to say a few words.

First of all, let me say that it is an exciting experience to see specialists from diverse countries involved in medical education, research, and practice development gathered in the same vein. I am sure that many of you are struggling with your current work. I, too, have been busy, but I have noticed a number of changes in my life as a result of attending this conference in 2025.

The first is my preparation for this conference. As I put together a PowerPoint presentation and presentation content to be understood by people from diverse countries, I was able to organize the main points of what I wanted to promote. And when I gathered up the courage to make my presentation, I was filled with a sense of fulfillment and gratitude for the warm reactions of the participants. And you will realize that these warm interactions with so many people will eventually become food for your own heart.

At this conference, you will gain value from

- Explore cutting edge research in nursing practice
- Discuss innovative strategies in nursing education
- Develop leadership skills for positive change
- Foster global networking and collaboration
- Provide insights on trends and use of technology for better patient care

We hope you will enjoy this enriching time of plenary sessions and sightseeing in Singapore.

You are guaranteed to find new perspectives on education, research, and practice development in nursing and healthcare, as well as a wonderful time of self-affirmation.

Sincerely yours

Noriko Onishi,

Yamano College of Aesthetics, Japan

Alexander Nirenberg

Australasian College of Cutaneous Oncology, Australia

Dear Esteemed Colleagues, Distinguished Guests, and Delegates

It is with great pleasure and honor that I welcome you to the **7th Asia -Pacific Advanced Nursing Practice, Nursing Education and Leadership Conclave** held during **June 18-19, 2026**, in the beautiful city of **Singapore**.

Over the course of this summit, we will discuss critical topics that will shape the future of nursing. From advancements in nursing practice to the latest trends in education and leadership, our comprehensive program is designed to inspire, inform, and invigorate.

We are hosting a broad cross section of topics and keynote speakers, panel discussions, and interactive sessions that promise to enhance understanding and elevate nursing practice.

In today's rapidly evolving healthcare landscape, staying updated on trends and technologies are essential. We will explore significant advancements including telehealth, artificial intelligence in patient care, precision medicine, and the integration of digital health records. Embracing these innovations will enhance patient outcomes, streamline nursing practices, and influence the broader healthcare market, which is projected to reach USD 330.7 billion by 2030, growing at a CAGR of 9.3% from 2023 to 2030.

Our objectives for this congress are to:

- Explore cutting-edge research in nursing practice.
- Discuss innovative strategies in nursing education.
- Foster leadership skills for positive change.
- Facilitate global networking and collaboration.
- Provide insights on leveraging trends and technologies for better patient care.

The demand for nurses is outpacing supply, driven by an aging population, rising prevalence of chronic diseases, and increased access to healthcare services. This creates both challenges and opportunities in nursing education, practice, and leadership. Trends such as telehealth, advanced practice nursing, specialization, online learning, simulation training, and transformational leadership are shaping the future of nursing.

We encourage you to engage actively in the sessions, share your insights, and network with your peers. Together, we can drive meaningful change and lead the way toward a brighter future for nursing.

Thank you for being a part of this significant event. Join us on this very important area of discovery and advancement.

Kind Regards,

Alexander Nirenberg

Australasian College of Cutaneous Oncology, Australia

PRESENTATION FORUM

01

KEYNOTE FORUM / MINI-PLenary SESSIONS

Presentations under Keynote Forum or Mini-Plenary Sessions includes abstracts with remarkable research value selected by the program committee. These significant speeches are delivered by globally recognized honorable speakers and it is open to all registrants.

DISTINGUISHED SPEAKERS FORUM (ORAL ABSTRACT SESSIONS)

In this forum, speakers and experts of the research field gets an opportunity to showcase their noble research work that involves comprehensive research findings. These formal oral presentations include a wide range of talks covering basic research to advanced research findings in accordance to the theme and scientific sessions of the conference.

02

03

STUDENT FORUM / POSTER SESSION

This session is particularly introduced to encourage more number of student participation at international conferences, however it is not restricted only to students since it is also available for the participants with language barrier. There are specific guidelines to be followed to prepare the poster. Poster topic should be selected only from relevant scientific sessions with in-depth technical details.

YOUNG INVESTIGATORS FORUM

An exclusive opportunity for students and young investigators to present their research work through a formal oral presentation. Young Investigators Forum provides a global platform for young researchers and scholars to showcase their valuable contribution to the scientific world and to get acknowledged by the global scientific community of experts. It is an excellent opportunity to recognize young scientific assets with promising research ideas. These oral presentations are of shorter time duration with 10-15 minutes of informative and precise presentations in relevant scientific sessions.

04

05

EDUCATIONAL WORKSHOPS/RESEARCH WORKSHOPS/ CORPORATE WORKSHOPS/MINI- SYMPOSIA

With an aim of transferring knowledge among the participants, workshops are introduced as a part of international conferences. These interactive and occasionally practical sessions gives an opportunity for participants to engage in detail discussion. Workshops are mostly scheduled for 60 to 90-minutes. It may range from learning about a specific topic relevant to international education, products and research which sometimes involves practical demonstration. It helps in enhancing skills, knowledge and understanding of the research field in depth through interactive discussions.

HIGHLIGHTS OF THE DAY SESSIONS

"Highlights of the Day Sessions" is introduced to discuss and focus a ray upon previous day ORAL ABSTRACT presentations by experts to summarise the key findings. It helps in getting better insights into the various dimensions of the topic.

06

07

MEET THE PROFESSOR @ NETWORKING SESSIONS

This session involves open discussion between the experts and session attendees, it gives enough time for getting answers to specific questions and doubts. It is an opportunity for attendees to increase their professional networking, sometimes also leads to an excellent collaboration opportunity.

EDUCATIONAL SESSIONS/ TRAINING PROGRAMS

Educational Sessions or training programs are specifically designed for a better understanding of the latest findings and technologies. These are generally 45-minute sessions that gives an exposure to the multidisciplinary field, that provides in-depth learning experiences and address educational needs.

DISCOVERING

A right choice of conference destination is an important aspect of any international conference and keeping that in consideration, **Nursing Asia-Pacific 2026** is scheduled in the Beautiful city "singapore".

SINGAPORE

Singapore, a dynamic city-state nestled in Southeast Asia, beckons travelers with its unique blend of cultural richness, technological advancements, and unparalleled experiences.

Cultural Diversity: In Singapore, cultures converge harmoniously, offering visitors a tantalizing journey through Chinese, Malay, Indian, and Western traditions. Explore vibrant neighborhoods like Chinatown, Little India, and Kampong Glam to immerse yourself in their distinct flavors, colors, and aromas.

Modern Marvels: Marvel at Singapore's architectural wonders, from the iconic Marina Bay Sands complex to the futuristic Gardens by the Bay. Take a ride on the Singapore Flyer for panoramic views of the city skyline or indulge in thrilling attractions on Sentosa Island.

Culinary Delights: Singapore's food scene is legendary, boasting a kaleidoscope of flavors that tantalize the taste buds. Sample authentic dishes at bustling hawker centers, from savory Hainanese chicken rice to rich and fragrant laksa.

Shopping Paradise: Shopaholics rejoice in Singapore's myriad shopping destinations, from luxury boutiques along Orchard Road to eclectic markets like Bugis Street. Whether you seek designer labels or unique souvenirs, Singapore offers something for every shopper.
